

# AMIR JAZEN PEREZ

**Portfolio:** <https://perezamir-portfolio.vercel.app/>

A 4th-year BSIT student with hands-on experience building responsive web applications using React, Next.js, Tailwind CSS, and JavaScript. Primarily focused on frontend development, with growing backend experience in SQL-based systems and Prisma. Experienced with modern web technologies including ReactJS, Next.js, JavaScript, and Tailwind CSS. Passionate about solving problems, building efficient and user-friendly applications, and continuously learning new technologies. Hardworking, adaptable, and eager to contribute to meaningful tech projects in a collaborative development environment.

---
